

Garden Furniture at Studley Grange.

This year we have selected a range of garden furniture which offers something for everyone, we have ensured that it is of good quality and is supplied by the leading manufacturers such as Alexander Rose, Norfolk Leisure and Kettler.

We have included relevant links to these companies' websites so that you can view the complete details there. If you then spot something else on a supplier's website which you like the look of please contact us on the dedicated email address (orders.studleygrange@gmail.com) so that we can quote you for supply of this product. Please note however that some items which we do not hold in stock may be unavailable for a considerable amount of time.

Due to the current situation we have compiled this brochure to enable you to view our range, which we have in stock, ready for us to deliver to you **for free within 15 miles** of the garden centre. We will deliver the furniture to an agreed location at your property, if you wish we will also unpack the furniture and remove the packaging. Please note that we cannot currently carry any furniture through your property and need to ensure that social distancing principles are always observed .

We know that value is important than ever right now and so we have ensured that we are matching the lowest price offered* online or elsewhere, plus remember that when you shop at Studley Grange you get an extra 5% of your spend back as points which can be spent in the garden centre at a later date.

*** prices checked on 1/4/20, retailers with the same product, in stock and including delivery, if you do find the same product cheaper elsewhere please tell us!**

Kettler Palma Range

This has become a modern-day timeless classic. We like it for its durable all-weather weave, strong box-section aluminium frame and memory foam cushions which are showerproof.

The range starts from the bistro set, which is a new introduction for 2020 and culminates in

the stunning Palma round set which is ideal for large gatherings when the sun shines. Please note all our range is in the most popular 'whitewash' colour.
