

Free Delivery - Minimum order £50 please

Here at Studley Grange we know that gardening is good for you!

And from Wednesday 13th May we will be open to the public.

To everyone who placed an order; THANK YOU for your custom and your patience.

We are now only accepting orders for delivery from those customers who are vulnerable and unable to visit the garden centre.

If you haven't already done so, please follow us on Facebook for the latest information and share our news with your friends, neighbours and social media groups.

If you can't work the order form please just include all your details and the details of your order to orders.studleygrange@gmail.com

Please use the dedicated email address to communicate about any requirements you have: orders.studleygrange@gmail.com (sorry but as we are out and about so the phone will rarely be answered). We have included an order form which can be completed and returned to this email address please, this is available in excel and as a PDF.

Please share with your friends and neighbours, thank you for your support!

Free Delivery - Minimum order £50 please

Deliveries

We will happily deliver to an area which is within about 5 miles of the garden centre, this covers Wroughton, Winterbourne Bassett, Royal Wootton Bassett, South-West Swindon and everywhere in between, generally this includes postcode areas SN1, SN2, SN3, SN4, SN5 & SN25. We may be able to deliver outside of this area depending on how busy we are and the size of the order. If you are in a further outlying area then if you can make it worth our while by collecting together a full van load of stock for a few people in the neighbourhood (about £500) then we will make extra special efforts.

We are asking for a **minimum delivery value of £50**, plus there will be an additional delivery charge of £10. Please plan ahead and order as much as you think you will need over the coming weeks, **perhaps share with neighbours to make the delivery as efficient as possible.**

We will aim to make deliveries within about 7 days of receiving the order, we will email you back to say we have the order and will then ring to take payment and advise you of a likely delivery day at some point over the next week or so. A handful of goods have a longer lead time due to availability at suppliers.

Due to the current situation we ask for a place where we can leave the goods. We will post your receipt through your letterbox.

Occasionally we may have to substitute an item, this is especially true on plants where the exact variety may vary, the value of the goods will be the same or higher than those advertised and we will agree this on the phone with you prior to taking payment.

We would like to thank you for your support.

Tony, Jackie, Chris and the team at Studley Grange
