

£10 Delivery - Minimum order £50 please

**Here at Studley Grange we know that gardening is good for you!**

**The Garden Centre is open and we look forward to seeing you here.**

**However if you cannot visit us in person then we are continuing our delivery service to ensure you can continue to enjoy your garden!**

Stock is very much in demand and some items are in short supply. We may take up to a week to supply your order, this is because we may be waiting on goods to arrive which will help fulfil your order.

Compost, top soil and bark is a particularly difficult area, hence we are now only taking orders for multi-purpose compost and will supply whatever brand or type we can get our hands on.

**If you can't work the order form please just include all your details and the details of your order to [orders.studleygrange@gmail.com](mailto:orders.studleygrange@gmail.com)**

## £10 Delivery - Minimum order £50 please

Please use the dedicated email address to communicate about any requirements you have: [orders.studleygrange@gmail.com](mailto:orders.studleygrange@gmail.com) (sorry but as we are out and about so the phone will rarely be answered). We have included an order form which can be completed and returned to this email address please, this is available in excel and as a PDF.

### Deliveries

We will happily deliver to an area which is within about 5 miles of the garden centre, this covers Wroughton, Winterbourne Bassett, Royal Wootton Bassett, South-West Swindon and everywhere in between, generally this includes postcode areas SN1, SN2, SN3, SN4, SN5 & SN25. We may be able to deliver outside of this area depending on how busy we are and the size of the order. If you are in a further outlying area then if you can make it worth our while by collecting together a full van load of stock for few people in the neighbourhood (about £500) then we will make extra special efforts.

We are asking for a **minimum delivery value of £50**, plus there will be an additional delivery charge of £10. Please plan ahead and order as much as you think you will need over the coming weeks, **perhaps share with neighbours to make the delivery as efficient as possible.**

We will aim to make deliveries within about 7 days of receiving the order, we will email you back to say we have the order and will then ring to take payment and advise you of a likely delivery day at some point over the next week or so. A handful of goods have a longer lead time due to availability at suppliers.

**Due to the current situation we ask for a place where we can leave the goods.** We will post your receipt through your letterbox.

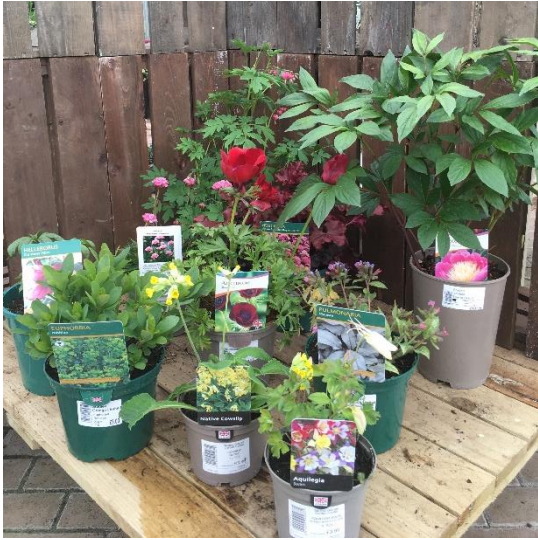

Occasionally we may have to substitute an item, this is especially true on plants where the exact variety may vary, the value of the goods will be the same or higher than those advertised and we will agree this on the phone with you prior to taking payment.

We would like to thank you for your support.

**Tony, Jackie, Chris and the team at Studley Grange**

£10 Delivery - Minimum order £50 please

## Garden Plants, Bedding, Grow Your Own & Bulbs

### **Herbaceous perennial mix £50**

Our herbaceous perennials are looking great so we will put together a mix of about 5 plants to offer you years of flowers and colour in the garden; the exact varieties may vary but it will include a mix of different textures and colours which complement each other. If you have a particular situation or requirement include that in your comments and we will see what we can pick to match your needs.

### **Mix of garden Shrubs £60**

This will include a selection of 5 popular garden shrubs which will give a variety of different textures and colours. The exact mix may vary, if you have a particular situation or requirement include that in your comments and we can pick to match your needs

### **Bedding Plant Mix £25 or £50**

The plants available for this are changing daily so we will pick you a selection of flowering bedding plants to give you a splash of summer colour

## £10 Delivery - Minimum order £50 please

### **Tomato plants 5 for £10**

We have a range of varieties and will supply a mix of the favourites unless you specify a variety which you would prefer (in this case we will supply this variety only if we have it)

### **Vegetable plant strips 4 for £10**

We have a range of varieties and will supply a mix of the favourites unless you specify a variety which you would prefer (in this case we will supply this variety only if we have it)

### **Soft Fruit plants £10 each.**

Choose from gooseberry, raspberry, black, white or red currant, blackberry, blueberry, rhubarb.
